Testimony by the Embassy of Switzerland

I am pleased to provide this testimony in recognition of the outstanding work done by PAPER & PAGE for the Embassy of Switzerland in Bangkok. They have created a remarkable video on the Swiss-Thai Friendship, which has left us highly satisfied.

Based on this specific experience, I can highly recommend the services PAPER & PAGE to anyone looking for professional and creative video production. I would like to highlight the flexibility and comprehension demonstrated by PAPER & PAGE, who made several revisions to the video based on our feedback.

We were impressed with the speed and attention to detail of their work. PAPER & PAGE managed to capture every crucial aspect of the Swiss-Thai relationship, conveying it visually while being mindful of cultural sensitivities from both countries. This achievement was made possible, notably due to the extensive research conducted by PAPER & PAGE, as well as their excellent understanding and utilization of the resources shared with them by the Embassy.

Furthermore, we appreciated the touch of humor incorporated throughout the video, making it more engaging and entertaining. Overall, we were impressed with the quality of work delivered by PAPER & PAGE and strongly recommend their services.
